# DAVID ANIAGO

## About

A highly skilled and motivated Full Stack Web Developer with experience in designing, developing, and maintaining web applications. Proficient in both front-end and back-end technologies, with a strong foundation in software engineering principles. Adept at working collaboratively in teams and managing projects from concept to completion. Currently pursuing a degree in Mechatronics Engineering with a strong academic performance.

## Education

### Secondary education

Wisdom Gate International School

2016 – 2021

### Bachelor of Engineering in Mechatronics Engineering

Federal University of Technology Owerri (FUTO)

2022 – Till date

## Skills

**Front-End**: HTML5, CSS3, JavaScript, Typescript, React.js, Next.js, Tailwind CSS, chakra UI, Bootstrap, SASS

**Back-End:** Node.js, Express.js, PHP, Laravel, RESTful APIs

**Databases:** MySQL, MongoDB

**Version Control:** Git, GitHub

## Experience

### Full Stack Developer

*Luzoma Microsystems / [*June 2023 – February 2023]

- Developed and maintained full stack web applications, ensuring responsive design and efficient back-end operations.

- Collaborated with cross-functional teams to design user-friendly interfaces and implement server-side logic.

- Integrated third-party APIs to enhance application functionality and user experience.

- Optimized application performance and conducted debugging and troubleshooting to resolve issues.

- Managed database structures and performed data migration as necessary.

### Front End Developer

*Learn Factory Tech discipleship / Aba, Abia state*

[April 2023 – August 2023]

- Designed and implemented user interface components for various web applications.

- Worked closely with backend developers to integrate RESTful APIs and dynamic content.

- Ensured high performance and compatibility across browsers and devices.

- Participated in code reviews and provided constructive feedback to improve code quality.

- Maintained and updated web pages as per client requirements, ensuring consistent user experience.
